

Orion Profiles

NANCY MEESE

Nancy's expertise comes from over 30 years of experience in the fully insured, stop loss and managed care insurance industry. She provides assistance with placing transplant contracts through our nationally recognized transplant vendor partners. She also oversees all of the notification reporting and collaborates with Orion Nurse Consultants to identify cases for potential cost savings. She is available to assist you with connection reporting and connection to all things Orion.

AMANDA CHRISTEL, RN

Amanda is a registered nurse with clinical experience in both oncology and transplants. She has experience in the disciplines of disease management, employee benefits and cost containment solutions and is here to help you develop a program that fits your needs.

RANDI KOISTINEN, RN, OCN, ONS

Randi is a certified Oncology Nurse Specialist with over 25 years of experience in the field of clinical oncology practice as a Clinical Practice Administrator and nurse educator. She has experience in complex inpatient and outpatient oncology case management, bone marrow transplantation and pediatric oncology. She is available to assist you with oncology consultation, managed care, best practices and cost containment concerns.
